

Eden Village Camp

For a Healthy, Sustainable World

## PERENNIALS MANAGER 2019

Eden Village Camp is hiring a Perennials Manager for the 2019 season. This is an 8-month job from March 1st through November 1st.

### About Eden Village:

Eden Village Camp is a farm-focused Jewish summer camp in the Hudson Valley. There is a 2-month overnight summer camp, as well as other farm programming throughout the spring and fall. Our 3rd-11th grade campers enjoy farming, animal care, wilderness and survival skills, natural science, music, boating, arts, and sports.

### Main Responsibilities:

- Manage and keep records for the on-site fruit orchard, edible forest, calendar garden, medicinal herb garden, and other perennial spaces.
- Assist in teaching spring and fall programming
- Teach apprentices perennial management and propagation techniques.
- Work alongside farm team to maintain and implement vision for the farm
- Participate in communal living including shared meals, cleaning, and communication
- Create and teach special interest programs during camp, with support.

### Qualifications and Skills:

- 2-3 years experience working with perennials (i.e. herbs, orchard)
- Previous management experience is not required, but preferred
- 1 year of experience as an educator is not required, but preferred
- Detail-oriented and organized
- Experience working with livestock is not required, but preferred
- Openness to living in a Jewish Pluralistic environment
- Enjoy working both with other people and alone

### Compensation:

- Compensation is commensurate with experience
- Housing is provided for the entire length of the position and meals will be provided for approximately six months

To Apply, please send a cover letter, resume, and 2-3 references to [farm@edenvillagecamp.org](mailto:farm@edenvillagecamp.org)
